## CATHOLIC U. QUINT HAS AN EASY TIME DEFEATING FORDHAM

New York Tossers Are Handed Worst Beating of Southern Trip. Brooklanders Winning, 47 to 19.

### CARTWRIGHT INDIVIDUAL STAR

Fordham's basketball team met its second defeat of its Southern trip last night at the hands of the strong Catholic University quint when the Brooklanders trimmed them 47 to 12.

The first half was a walkaway for C. U., the half ending 35 to 8. Cartwright and White played brilliantly for C. U. The former caged six baskets the first half and the second half. White, playing forward, was the main strength of the Brooklanders. When it came to teamwork the little fellow was all over the floor interrupting passes and dribbling up and down the floor. C. U. had such a commanding lead that when the second half opened Hinchcliff replaced Donnelly at center.

The second half was very rough, the big city boys being the worst offenders. Flynn and Caffrey were both banished from the game on account of rough play. Keegan played wonderfully during the second half, making two hard shots from difficult angles and played a great floor game.

The teamwork of C. U. was the best of the year. In fact, it was really the first real stretch of teamwork the club has shown this year.

The Fordham boys were very poor at shooting baskets and would take shots from any part of the hall.
